SETARA '13

THE 2013 RATING FOR HIGHER EDUCATION INSTITUTIONS IN MALAYSIA

MQA Agensi Kelayakan Malaysia Malaysian Qualifications Agency

The 2013 Rating for Higher Education Institutions in Malaysia (SETARA '13) measures **quality of teaching and learning at level six of the Malaysian Qualifications Framework (undergraduate level)** in universities and university colleges in Malaysia.

The SETARA '13 rating instrument covers three generic domains of input, process and output to assess the quality of teaching and learning. The input domain addresses talent, resources and governance. The process domain focuses on curriculum matters and the output domain is on the quality of graduates and graduate satisfaction. The overall structure of the instrument could be accessed at **<http://www.mqa.gov.my/SETARA13>**.

The SETARA '13 exercise classifies its rating into six Tiers, ranging from Tier 1 as Weak to Tier 6 as Outstanding. The following is the full result, listed in alphabetical order:
