

TABLE 1: May News Flash –Leiden 2016 Rankings compared to Leiden 2015 Rankings for World and Asia/ Pacific

The Leiden default until 2016 was SI (Size Independent) PP (percent publications) in top 10% using fractionalized count. The new default is total publications using fractionalized count

Table 1:A – World's top 10 based on top ten percent publications using both Size Independent SI) and Size Dependent (SD) rankings and the default.

SI .2016 PP (top 10%)	SD 2016 P (top 10%)	P – 2016 Default –	UNIVERSITY	SI - 2015	SD – 2015	P 2015
